

BFA Mid-Year Requirements

Overview Of Materials To Be Presented:

- A verbal and digital presentation giving a brief overview of research and the initial sketches and first iterations of the work (aim for 5 minutes)
- Business Card and Resume
- Mini Portfolio of your work (can be a booklet, CD or website)
- Any hard copy work that will be presented must be done so professionally (use boards where appropriate, etc)
- The first Iteration of the Findings Document (bound)
Findings Document includes:
 - Thesis Statement
 - Supporting Paragraph
 - Overview of Research
 - Samples of Inspiration
 - Visual Solution, first iterations
 - The visual solution contains sketches, initial iterations and ideation along with any finished work.
- Written proposal for work schedule during Winter Break
- Brief proposal for progress during the Spring 2006 semester

All materials will be turned into each member of the committee (including a CD of the digital presentation and scans of the initial work.)
