

## Assignment 4 Process Book

**The Assignment:** Building on what you have learned so far this semester, create a process book in Mag+ Design and findings document for your Poster project.

### **Include in the Document:**

All research done for the project  
All process created, including preliminary sketches and first iterations.  
A narrative of how you made your decisions  
"Beauty" shots of the finished pieces, especially in locations (walls, bus stops, etc).

### **Method of Construction:**

This document will be created in the Mag+ Designed Plugin and displayed on the iPad.

### **Extra Credit:**

In addition to the digital volume, create a printed version of the document.
