

Credit Standards for Images

If you use a stock photo from the supplied images, you must place credit in the following style:

Photo: Getty Images

If you draw or shoot an image yourself, credit yourself

Photo: FirstName LastName

Illustration: FirstName LastName

If you use a friend's photo or illustration, credit them

Photo: FirstName LastName

Illustration: FirstName LastName

If you use an image from a source that gives you official permission (such as an image you find online, and obtain permission for), follow the guidelines they send you. If they do not send guidelines, the standard is:

"Image_Type, © FirstName LastName, all rights reserved, used by permission"

Keep the record of the permission in a folder with the job.
