

Graphics for Design - Spring

Assignment 4

Spring Show Boards

Lay out your boards for spring show. Create ideas for your boards and begin the layout. As you create these, keep your identity in mind as you create your installation. Start with sketches, and then move to the layout of the large boards. You can either create one large plot per board, or design multiple pieces that will sit on the boards.

Step One:
Sketches

Step Two:
Layout and print b/w tile

Step Three:
Print color mini, final b/w tile

Step Four:
